What new contribution or approach does this volume, the third, offer? Castles, Battles, and Bombs:

Introduction, Richard Bonney 1. His team has already produced one comparative volume and a second one devoted to detailed aspects of European [End Page] fiscal history. When they lacked the money to fight, states might have to summon representative institutions, thus taking the first steps toward parliamentary government.

The multi-authored book under review is part of this team effort. Ebook Thisist general, these developments were made in western Europe; the lack of progress in some fiscal systems, especially those in eastern Europe, is an issue of historical importance in its own right and lends particular significance to the chapters on Poland and Russia.
