He has taught for many years in DePaul's CPA review program and at both the graduate and undergraduate levels. Neither Wiley nor its dealers or distributors assumes any liability for any alleged or actual damages arising from the use of or the inability to use this software. Would you like to change to the United States site?

He emailed me the fix that normally works but didn't work for my computer and had a few typos, but most of them were obvious when you saw the answer so the incorrect questions weren't misleading. The content overall is good but I can't rate it over one star due to the technical issues and the non-user friendly format of the software. The first person tried to be helpful but was definitely lacking in technical knowledge.

Haji Mohammad marked it as to-read Dec 23, I liked being able to go through the questions in study mode because it gave me immediate feedback on my answer.
