These metanarratives still remain in Western society but are now being undermined by rapid Informatization and the commercialization of the university and its functions. Analytic philosopher Daniel Dennett declared, "Postmodernism, the school of 'thought' that proclaimed 'There are no truths, only interpretations' has largely played itself out in absurdity, but it has left behind a generation of academics in the humanities disabled by their distrust of the very idea of truth and their disrespect for evidence, settling for 'conversations' in which nobody is wrong and nothing can Return of the Post Moderns confirmed, only asserted with whatever style you can muster.
