At the same time, we will consider the close relationship between data collection and ethnographic writing. Students will explore contacts with other languages, and the social forces behind those contacts.

Topicsincludethehistoryofthelabourmovement, theattainmentofbargain As a result of this course, students should be able to look at films more critically and identify images communicated through the media. Past cultural diversity of both regions, as well as the process that gives rise to it will be examined in different geographical settings.
