The most difficult of these generally relates to zoning and land development conditions. Many people need climate controlled units to preserve items mold or mildew can destroy. Furthermore, you can offset your land costs by building a multi-level storage. It is important to state that our sales forecast is based on the data gathered during our feasibility studies and also some of the assumptions readily available on the field. In view of that, we have made provisions for the following positions to be occupied by highly qualified and experienced staff. As part of our sales and marketing strategies, we will pay attention to the promotion of our self - storage and warehouse facility so as to attract people to rent or lease our facilities. If you offer the best in quality, people will seek you out because they want the will be open 24 hours in a day during weekends Fridays to Sundays and from 6:
