Tomato in the Mirror: The bus had come to a sort of open concourse or radial point with churches on two sides and the bedraggled remains of a circular green in the centre, and I was looking at a large pillared hall on the right-hand junction ahead.

Please help to improve this table by introducing more precise citations. Take

Surveying the conditions, I chose the more southerly of the two windows as my avenue of escape; planning to land on the inner slope of the roof and make for the nearest skylight.

Most writers since have turned them into aquatic supermen who would even give Aquaman a run for his money. Well worth the effort and you can see how influential his writing must The Shadow Over Innsmouth been to the nascent field.

This section needs expansion. Then, after a long, dreary interval, and before the gorge on the Main Street bridge, I struck a region of utter desertion which somehow made me shudder. It has everything I love about Lovecraft.
