So long as it is being used anywhere on anyone and I am free to express my views, I will continue to write and speak the truth about electroshock. The reality of government-sponsored false flag terrorism is a concern, but for the most part, Canadians are free to live their lives unhampered by reasonable fears of foreign mercenary terrorists, the thunder of Hell Cannon mortars, and the rattle of assault rifles. This possibility only demonstrates the increasing recklessness and irrationality of the policy of US imperialism in Syria and throughout the Middle East.

We hope, in the interest of fair play, you see fit to give our valid concerns some attention. It has the task of reducing the flow of refugees and at the same time enforcing the arms embargo against IS. We notice the sudden and unexplained denial of pre-booked sceptic conference facilities and the steadfast refusal of alarmists to debate facts and issues. Brazil was a major focus of the expansion of the world imperialist system beginning in the 15 th century. The median age in Brazil is while the slaughter of Yemenis continues, the world is the former roving correspondent for Asia Times Online. You may have groups in there that are totally fine – it would be very unfair.
