He was killed instantly and accounts of the shooting vary, with some saying that the officers first took notice of Diallo because he matched the description of a serial rapist in the area. On the one hand, predominantly white leaders like Mayor Giuliani took this opportunity to make the case for capital punishment in New York. Riding high in the s' latter half, New York also enjoyed four championships in five years for its favorite sons, the Yankees, beginning in

The other major problem that plagued New York City for much of the s was crime. Perhaps the single incident that stands above all others from the New York of the s is the bombing of the World Trade Center on February 26, But along the way, kids have lost something they need – freedom to explore, and freedom to play.

member, Richard Mojica, has branched out, teaching the art of street games to local kids through a program called Weeds and Seeds that gets federal funding. Another victim of the nanny state is Ringoleavio, a hard-core type of hide-and-seek that sends one team of kids hunting for another – in the old days that chases stretched from city streets to city roofs, said Koop.
