Or maybe I just could not imagine the Bastable lives. Adventures in and around the local pond, the surrounding gardens, investigating secret passageways in their home, and walking down the railway tracks that crossed the back fields with her brothers were events she would later develop in her popular stories for children. The book has a nice mixture of the children being concerned that things are not as they ought to be, and having a lovely time concocting their own imaginary play instead of having to go to school.
