Nationalistic coverage was mistakenly believed to be objective coverage. In many countries, where dictatorships or totalitarian governments want to control the flow of information, courageous journalists are getting their stories out on the Web in ways that are not possible over government-controlled radio and television or in some newspapers whose owners are friendly to the government. Copymetothisemail.Thisinputhasgivenrisetothetermcitizenjournalist Guest Tim Gray is an acclaimed chronicler of the Americans who defeated the Axis Powers and saved civilization. In this episode, hosts Jim Ludes and G. Ittooktimetofactcheckastory.How we play and how we teach our children to play are tremendously important narratives in public life.
