This book is well-written and covers the basics known up to the time of its publication. The pictures are really beautiful and give me a very good visual idea of what each dinosaur looked like. Also, the author has included nice introductions to the Mesozoic era and each time period, as well as some information on the extinction of dinosaurs. A Unique Collection Of Pages. My grandson reads it daily. The description of each dinosaur has a lot of detail on July 19, Tells the locations of fields where dinosaurs can still be seen
