As a consequence, citizens start to "sense their own country from the edges," that is, through the eyes of the refugees. Yet, the same cultural genes that gave rise to all of VW's successes have, as the environment changed but the culture of the company didn't, suddenly turned into the seeds of its potential self-destruction. But we do know that, in order to activate the generative field of presencing, we have to strengthen our innate capacity to listen with our mind and heart wide open, and to tune in to what emerges from the edges of our systems.

This proverb is of ancient origin but precisely which of the ancients coined it is not clear. All Sports Travel Trends. Fish rots from the head . Add to that a top-down culture that didn't tolerate anyone who said, "We can't do it." Of course, the proverb isn't a lesson in piscine biology. Having learned about dead fish, the CDU next went looking for information about fresh fish:
