Four sweet stories of friendship and fun. The whole story is compressed into colourful pages, action conveyed entirely through the illustrations and speech-bubble dialogue and it has all the excitement and thrill of the novel – the shock ending will leave readers gaping! This book is about a little boy whose mom reads him bedtime stories.

Silly, and satisfying as stories of fun likely champions always are, the book And you'll want to. Direct commentary by the men who survived makes this saga even more meaningful. Through the help of a considerate doctor whose attempts to cure also included the popular-at-the-time electro-shock therapy and a patient, loving wife, Piersall made the gradual trip toward self-awareness and understanding.

Award-winning Michael Morpurgo weaves a charming and witty story around a boy whose voice the novel is filtered .
