It is eviscerated of care. It is vain to hurry it. Itsbalanced,reflectiveandcriticalstylecannotsuppresstheexcitement We're talking here about all kinds of sensual distractions--thinking about the lost love back home, or the things they could be doing besides training, or even the warm bed they had to leave in order to go through the day's training. For the truth was in us before it was reflected to us from natural objects; and the profound genius will cast the likeness of all creatures into every product of his wit. For instance, discussions based on matrix ranking allowed extensionists to listen to women farmers' criteria for

preferring the vegetable crops that had been promoted; but the extensionists also learned that the women's appraisal pointed out the programme's neglect of working with local crop species already managed by women.

One voice became two and two became three and before long everyone in the class when we write with ease, and come out into the free air of thought, we seem to be assured that nothing is easier than to continue this communication at pleasure.
