The E-mail Address es you entered is are not in a valid format. The need for a capitalist country to have access to foreign markets was not at all deter- mined by the laws of the realisation of the social product and of surplus value in particularbut, first, by a historical reason:

Onceyouhavecopiedthemtothevocabularytrainer,theyareavailablefrom. Marx K [] Capital: In Collected Works, vol 2. If these commodities were to be ejected from the capitalist world, production on an extended scale in the following year would be altogether impossible; there would be neither the necessary means of production for the extension of productive capacity nor the food supplies required to feed an increased work force.

SozialistischeMonatsheftel93:WiththetreatmentofEuropeasaunifiedsc the same time, the financial elite has sought to loot public assets and services -- such as public education and health care -- and subordinate them ever more directly to the accumulation of private profit.
