The story about a group of weird children born into a rural English village after some rum doings asks big questions about competition, survival and who really is in control. Absolutely terrifying, yet zany, satire of Soviet life.

HiRatish,Thanksforyourthoughts. The story is somewhat conventional beginning, middle, end but manages to include a considerable amount of discovery and mystery. The Ultra Elixir of Youth. This year-old novel about human clones surviving the end of civilisation won a Hugo award in and somehow seems to become more resonant with the passing of time.
