And I think your work is of the last: Take a false mate! I live in London and as any city dweller will tell you, a fast paced life does not make it easy to find time to write but seeing so much of the world around you does give you inspiration to create characters that are truly human, people that you want to read about because you've fallen in love with . TwitterGoogleFacebookReddit. It had me captivated from the very beginning. To see what your friends thought of this book, please sign up.
