Anti-capitalism Anti-globalization Alter-globalization Criticism of intellectual property Anti-copyright Perspectives on capitalism Protectionism Critique of capitalism. Global economic integration While globalisation brings huge benefits and opportunities, it also means that Europe has to face increased competition in all traded goods and services. ChinesePhilosophicalStudies,XX. In fact, the US, UK and German authorities are doing a lot", and noting that if the figures were accurate "you would expect the havens to be more conspicuously wealthy than they are". It will be clear from what was said above that I see little International Economic Policies in a Globalized World to doubt that the citizens of a developing country can expect to benefit from being open to trade and FDI. Responses By taking measures to improve the functioning of EU markets and to boost innovation performance, the EU helps to shorten the adjustment process, and through targeted policy actions such as the European Globalisation Adjustment Fund EGF it assists affected workers.
