A move towards shared responsibility of governance with the
hiring of administrators, particularly an Administrative Chair
and Finance Chair, who work in conjunction with the Faculty
Chair to create the Leadership Team, has seen traction and
schools are finding individual balances of structure and
governance between the collaborative teachers groups and the
administrators. The main aspects were the following ones:
ViewsReadEditViewhistory. This has changed during the last two
decades. The evaluation of this model Randoll, shows an
advantage for this kind of practice. Waldorf students do not
get their learning motivation from grades and other
certifications based on achievements.
