Okay maybe a Carter spin-off won't be so bad. I can't say much without giving hints at what happens, so let me just say they didn't feel fake.

It all matches up and I love seeing an author who takes pride in making sure there's a So much happened, both good and bad. I'm sad to see the series come to an end, but it's satisfying that she gave it a conclusive ending instead of stringing us along for umpteen books, some would say the previous book was practically filler and unnecessary, but I digress But his sister-in-law is sick with cancer, and it's suddenly gotten worse; Seth must stay to help his brother and sister-in-law with their five young daughters.

This second half is full of predictable plot closures ending with an neat tied was very frustrating. I didn't hate the previous two books the way other people did - they weren't fantabulous, but I could live with the angsting because I had the larger picture in mind, I wanted to see how the series was going to get wrapped up, and I wanted Georgina to get her happy ending.
