I really loved Abby and Cora and would love to have "sisters"  
like them in my life. Bryn is her usual self, throwing herself  
in death's way to save her family any chance she can .

Thanks for telling us about the problem. What I wasn't expecting,  
though, was that thing with Patrick. For instance, I was sure  
that Bryn would have some sort of power where she could  
predict future events – based on the two visions she has in  
the first book.

Instead of worrying about who she'll be marching down the aisle towards, she  
just didn't see a guy in love with a girl would do those  
things.
