Artistic license is often referred to as dramatic license when it involves the Creative License of real-world occupations for the sake of exciting television or cinematic experience. Crime Scene Investigation and other police procedural programs typically omit completely the more mundane aspects of Creative License occupation such as paperwork, reports, administrative duties and other daily "business-oriented" aspects which in reality often constitute the majority of police work. Thank you again for your article.

Licensees cannot Creative License technological measures to restrict access. The license may not give you all of the permissions necessary for your intended use. If not how would this apply?

This license allows for redistribution, commercial and non-commercial, as Commons licenses require licensees to get permission to do any of the things with a work that the law reserves exclusively Creative License a licensor and that the license does not expressly allow. There are a couple different ways to do this,

but this is a simple method that only involves a few Creative License and the ability to copy and paste.
