As time goes by, there will be fewer survivors of the colonial era left to tell the tale and the current wave of interest in various aspects of the British Empire will face a lack of eye-witness accounts. Cash on Delivery Pay for your order in cash at the moment the shipment is delivered to your doorstep. Two courageous black Americans, George Washington Williams and William Sheppard, risked Twilight of the Bwanas to bring evidence of the Congo atrocities to the outside world. This is a 'darkhorse' of a book that offers a credible and first-hand account of African history. Please double check your mobile number and click on "Send Verification Code". This tribe – hardy, reasonably educated, and generally well-meaning – were distinguished by their white skins and European origins. The aim has been to give someone a good read and academic niceties such as footnotes and references have been deliberately avoided. African history Publication Date: Flowing text, Original pages. Encouraged with gradually diminishing vigour by successive British Governments, a male member of the tribe was known to the rest of the populace as a bwana and his female counterpart was referred to as a memsahib.
